CUSTOMERS STORE PROPERTY AT THEIR RISK

I understand that this self service storage facility is:

1. A Landlord (Owner) renting space — not a warehouseman — and does not take custody of my property,
2. Not responsible for loss to my property, and
3. Does not provide insurance on my property for me.

INSURANCE IS TENANT'S RESPONSIBILITY

As checked below, I will obtain insurance coverage on property in my storage space for its actual cash value or be "Self-insured" (personally assume risk of loss):

- [x] From my own Insurance Agent
- [ ] Atlas Customer Storage Insurance Plan
- [ ] Self-Insured
